

PRIVATE GUIDED FOUR WHEEL DRIVE DAY TOURS

THE SOUTH COAST - FROM SELFOSS

- Pick up at your hotel.
- Driving distance ca. 300 km.
- Duration ca. 8 - 9 hours.

A popular day tour in Iceland, which offers a magnificent and diverse experience of Icelandic nature, is the South Coast tour. The black sand beaches, the ocean and the coastline, the glaciers, the birdlife and the nation's history are just examples

of what you will experience during this tour. We begin the day by driving towards east and throughout the historical area Rangarvallasysla, the setting of the medieval saga Njalssaga. We will drive to Seljalandsfoss, a beautiful, high waterfall we can walk behind. From there we continue the trip to Skogar, where there is another big waterfall, Skogafoss, and there we will also visit the Museum of transport and an old historical museum, where we will have the possibility to see traditional sod farmhouses and other reconstructed buildings. There is also a museum shop and a café. We drive to Dyrhólaey, a promontory reaching out into the ocean, displaying magnificent birdlife. From Dyrhólaey we drive to Vik in Myrdal where we rest for a while and have a lunch. At Vik we can drive or walk by the coastline and visit a souvenir shop, which specializes in woolen clothes. The last destination is the glacier Solheimajokull and from there, we return to your hotel via the same route.
