

# PRIVATE GUIDED FOUR WHEEL DRIVE DAY TOURS

## TO THORSMORK

### - FROM SELFOSS

- Pick up at your hotel.
- Driving distance ca. 250 km.
- Duration ca. 8 - 9 hours.

Thorsmork is, from a natural perspective, one of Iceland's highlights, and therefore a very popular hiking area. It's not easy to get there due to hardly existing roads and unbridged rivers. Therefore, a four wheel drive vehicle is an absolute necessity.

We begin the day by driving towards east throughout the historical area Rangarvallasysla, where the medieval saga Nalssaga took place. Then we drive to Seljalandsfoss, a beautiful, high waterfall we can walk behind. From there, we will be driving over small rivers and creeks towards our next destination, which is the glacier lagoon at Gigjokull. When we arrive at Thorsmork we can hike through the diverse landscape at the glaciers' roots. From Thorsmork we head back the same road and stop at Stakkholtsgja for a short while and at last we return to your hotel via the same route. This is an exciting and unforgettable day tour, bringing you good memories of Iceland's nature.

The tourist guides that are guiding for Iceland South Coast Travel are members at the Iceland Tourist Guide Association. The vehicles are comfortable and well equipped where the driver is also the guide (driver-guide). We recommend group sizes of 2-6 persons per tour.
